

## 2022 Women's Book Group Selections

\* For September, in recognition of Banned Book Week, we will each choose a banned book, past or present. At the meeting we will share which book we chose and why, the reason for it being banned (if you know) and your thoughts about it. It's okay if more than one person chooses the same book. There is no need to coordinate the books we are choosing.

Here's the list of books and hosts for the upcoming year:
