This year, we will study the 10 Commandments and Holy Communion. Prior to each class session, Pastor Steve will send out notes and a worksheet to each student. Students should read the material (including watching any video clips and/or listening to audio clips), and complete and return the worksheet to Pastor Steve at least 3 days before we meet.

Each class session will **meet for one hour (6-7pm) in the sanctuary**, where we will discuss the worksheet questions and explore each topic with interactive activities. Two to three parents each week will be asked to help with leading the activities.
